

Frequently Asked Questions

What is the goal of My Faith, By Faith?

The goal of this campaign is three-fold: 1. To raise money to prepare for our building project. 2. To put us in a position to begin building for our future New Sanctuary, classrooms, fellowship hall, offices, etc. 3. To help free up resources to do more missional work in the city and community.

How is this different from the previous Campaign?

The previous campaign was a one year commitment and it helped raise funds for the research needed for this project; this is a three year commitment. The previous campaign helped us get to this point, while building our faith at the same time. My Faith, By Faith will catapult us into our future.

Why are we beginning a new campaign now?

Now is the time to prepare. We have to position ourselves to raising the funds needed to begin the building project. We are now in a good position to begin preparing and planning for our future.

When will the campaign begin?

On January 13, 2013 we will begin our Stewardship Campaign and continue through the next 3 years.

What are the different ways I can contribute to this campaign?

You can contribute on Sunday mornings along with your regular tithes and offerings, electronically through our website, www.ghmbc.com, by making arrangements with our business office and other charitable giving. Please refer to the commitment card for ways to give that best suit you and your family.

What can I expect from participating in the My Faith, By Faith Campaign?

We desire for everyone to grow in faith and intimacy with God as we yield our finances to Him. Let us know how God works in your life through this adventure. In addition, we expect to see greater fruit for God as we expand the ministries of the Good Hope Baptist Church.

Why should I contribute/participate in the My Faith, By Faith campaign?

We are doing this as a church family where everyone does his/her part. God is going to honor our giving as a church and as individuals.

How much should a person commit to the My Faith, By Faith Campaign?

We encourage everyone to spend time with God in prayer and study before deciding how God is calling you to commit to this campaign. God blesses as we sacrificially commit to Him.

Will our pledges be made public?

No, all pledges will be kept private.
